

STOP penetrating the vapor barrier
with your Screed Pin Stakes.

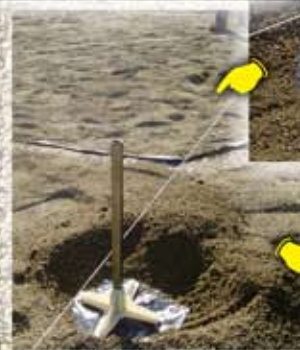

**Smart contractors are using our
Stake-Rite Screed Pin Supports!**

NEW!

*Architects, Engineers,
Building Depts, Contractors...
There is now a product available
that will prevent any penetration
through a slabs vapor barrier when
setting up screed pin stakes.
Simple and easy to use Stake-Rite!*

Bolt-Rite Products, the leader in
innovative ideas and product solutions
for the construction industry, introduces
the *Stake-Rite non-penetrating Screed
Pin Supports* (patent pending).

This product has been designed to
support your steel (round or square)
screed pin stakes without penetrating
the vital vapor barrier, preventing
moisture seepage up into slabs.

Stake-RiteTM
Non-penetrating Screed Pin Supports
